Dear Sir or Madam:

This filing is being made on behalf of Qwest Corporation (QC), Entity Code T-01051B.

Enclosed for filing with the Commission is an original plus thirteen (13) copies of revisions to Qwest's Exchange and Network Services Price Cap Tariff.

This revision proposes to grandfather the *PURCHASE PLUS REWARD (PPR)* Plan for ISDN pricing option found in Section 14.3.2. Existing customers will be allowed to retain the ISDN PRS price discounts provided for under this Plan until their current contract expires. A copy of the notice sent to existing customers on January 29, 2010, notifying of them of this change is attached.

Qwest respectfully requests that these proposed changes become effective April 16, 2010.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me directly.

Sincerely,
